This is a cylinder rebuild kit for many older Coats®* branded tire changers similar to part #107587. It rebuilds the 5" DIAMETER cylinder in many older machines and is an upgrade one piece piston instead of the cast piston these machines came with. It was the main cylinder in many model machines and controls the screw and the bead breaker claw / arm on the machine. As archive means, you can retrieve books from the Internet Archive that are no longer available elsewhere. This is a not for profit online library that allows you to download free eBooks from its online library.
