Change in Organizations -

ColinCarnall ... There are five steps.

They are deceptively simple. Most
organizations fail at change

because they omit one or more of these steps, believing them to be less important than just "cracking on".

Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.
