Circumcision and the Politics of Knowledge: African ... Heated debates about and insurgencies against female circumcision are symptoms of a disease emanating from a mindset that produced hierarchies of humans, conquered colonies, and built empires. The loss of colonies and empires does not in any way mitigate the ideological underpinnings of empire-building and the knowledge construction that subtends it. Female Circumcision and the Politics of Knowledge: African ... Female circumcision provided a point of coalescence and impetus for this articulation. Insisting that the hierarchy on which the imperialist project rests is not bipolar but multi-layered and more complex, the contributions in this volume demonstrate how
