Golden Field Guides Series  
Book The Golden Field Guides are a series of larger pocket-sized books that were created by Western Publishing and published under their "Golden Press" line, as a related series to the Golden Guides. Edited by Herbert Zim and Vera Webster, the books were written by experts in their field and illustrated with a simple straightforward style. Unlike the Golden Guides, the Field Guides went more in-depth, being more aimed at the high school/college level. They also had sturdier covers, obviously
