Guided Society Culture Culture refers to the way we understand ourselves as individuals and as members of society, including stories, religion, media, rituals, and even language itself. Social Darwinism was the belief that the closer a cultural group was to the normative Western European standards of behavior and appearance, the more evolved they were. Culture and Society | Boundless Sociology Through culture, people and groups define themselves, conform to society's shared values, and contribute to society. Thus, culture includes many societal aspects: language, customs, values, norms, mores, rules, tools, technologies, products,

organizations, and institutions.
