handbook on environmental impact assessment: Guidance ... • Subsection 34A (2C) The report shall be in accordance with the guidelines as the Director General may prescribe and shall contain: a. an assessment of the impact such activity will have or is likely to have on the environment; and b. the proposed measures that shall be undertaken to prevent, reduce or control the adverse impact on the environment

HANDBOOK OF ENVIRONMENTAL IMPACT ASSESSMENT GUIDELINES The Environmental Impact Assessment (miljökonsekvensbe- skrivning, or EIA) is an important tool for answering these needs. Experience from EIAs in road and rail planning show how important it is that the EIA is integrated into the process from early planning to imple- mentation so that environmental issues are taken care of.

Environmental Impact Assessment: Roads and Rail Written and edited by an authoritative team of internationally known experts in environmental impact assessment (EIA), this is the first book to present in a coherent manner the theory and practice of EIA and strategic environmental assessment (SEA) follow-up.
