Those statements suggested that the differences between the Islamic model of finance and its conventional (western) counterpart should be obvious without any need for further education. Since the behavior of early Islamic banks seemed to casual observers to be

You can search Google Books for

any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

.
