Memory From Mind To Molecules Kandel continues the discussion by examining the molecular basis for storage of declarative memory and for the conversion of short-term memory to long-term memory. The storage of declarative memory occurs via a family of processes that occur in the hippocampus called long-term potentiation (or LTP). Amazon.com: Memory: From Mind to Molecules (9780981519418 ... The long journey from the physical molecules to the non-physical mind starts with a first step. Squire and Kandel have taken that first step in a masterful attempt to bridge the certainty of their laboratory measurements of brain function with the elusive,

receding, transfinite virtuality of the human mind at the other end of the bridge. Memory: From Mind to
