great book for beginners. It is very informative and easy to read. My daughter is ten years old and just received her first sewing machine. This book explained all the basics of the machine and was filled with sewing steps in language that she could relate to. She practiced for two days with the paper exercises in this book. Amazon.com:

Customer reviews: My First Sewing Machine Book ... The Sewing Machine is the debut novel from Natalie Fergie, a book that spans generations from the 1911 mass strike at The Singer Factory in Clydebank, Scotland to more than 100 years later to 2016 in Leith. The Sewing Machine by Natalie Fergie I've been afraid of my sewing machine every since I got it years and years ago. I think

go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
