Teaching Personal Boundaries,
Consent ... Too vague. Doesn't talk
about good touch or bad touches or
appropriate and inappropriate
demands of kids. Just says no
means no because it's your body.
But reading this to a 2 year old is
confusing. She literally says no first
to everything. No to go to bed, no
to brush her teeth, no to diaper
changes. This isn't
helpful. Amazon.com: Customer

importance of giving, withholding, and respecting consent starts in childhood. Tickled to Consent: Teaching Little Boys that No Means No ... Advocates of affirmative consent argue that “no means no” has fallen short of its goal, especially in cases where one person is impaired (usually via drugs or alcohol). They claim that an impaired person’s inability to say no creates a gray area leading to and possibly excusing a lot of questionable behavior. “Yes Means Yes” Means “No Means No” Is Not Enough | HuffPost 'No Means No!' by Jayneen Sanders No Means No stars an empowered young girl as the main character. She has a strong voice when it comes to her body and her personal boundaries.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
