Noise A Human History Of Noise: A Human History Prof David Hendy presents a 30-part series exploring the role of sound, and listening, in the past 100,000 years of human history. Available now BBC Radio 4 Extra - Noise: A Human History Reviewed in the United States on May 31, 2015 Writing about the history of noise is like mapping the afterlife or studying the anthropology of ghosts, entirely speculative and seeking to impose a sense of order on the random, and a sense of the physical on the purely ethereal. It is also entirely dependent upon how one chooses to define noise. Noise: A Human History of Sound and Listening: Hendy ... Based on a major BBC
