Stephen Hawking's PhD thesis available for free online Dissertation titles. The dissertation title is your first opportunity to let the reader know what your dissertation is about. With just a few words, the title has to highlight the purpose of the study, which can often include its context, outcomes, and important aspects of the research strategy adopted. But a poorly constructed title can also mislead the reader into thinking the study is about something it is not, confusing them from the very start. How to write a
