Readings In Zoosemiotics

Zoosemiotics is the semiotic study of the use of signs among animals, more precisely the study of semiosis among animals, i.e. the study of how something comes to function as a sign to some animal. It is the study of animal forms of knowing. Considered part of biosemiotics, zoosemiotics is related to the fields of ethology and animal communication.

Amazon.com: Dario Martinelli: Kindle Store

The book is the first annotated reader to focus specifically on the discipline of zoosemiotics. Zoosemiotics can be defined today as the study of signification, communication and representation within and across animal species. The name for the field
