Report On The Excavations At Excavation Reports. Many of the most recent excavation reports and publications are available through the Vindolanda website shop and at the museum shops of Vindolanda and the Roman Army Museum. However, some of those that are now out of print can be found here. They form a useful and growing resource for academics, students and those who have particular interests in certain types of Roman military buildings or artefacts. Excavation Reports | The Vindolanda Trust An excavation is not complete until the printed report is available to the world. Often the publication of the report takes as long as, or even much longer than, the actual work in the field. A team of archaeologists clean an excavated zone some 20 miles (30 km) south of Lima. excavation | Description, History, & Facts | Britannica Report on the Excavations at Usk 1965-1976; The Fortress Excavations 1968-1971.
