Microsoft Word In 30 Minutes, Second Edition (paperback) The second edition is larger than the first, making it less likely to be used in the field. There is more information in this edition which had the unfortunate consequence of driving the font to a very, very small, difficult to read sans-serif. The Sibley Guide to Birds, Second Edition|Paperback Exceptions to this rule of thumb include denominating as a "second edition" a new textbook that has a different format, title, and/or author(s) because a previous textbook that shares only the same subject matter as the "second edition" is considered the first edition. The reason for this stretch of the definition is often for the short-term marketing advantage of the new textbook, because, although first editions are often considered more valuable than later editions to book collectors ...
