Communication in the Real World: An Introduction to

The Real World succeeds in classrooms because it focuses on the perspective that students care about most—their own. In every chapter, authors Kerry Ferris and Jill Stein use examples from everyday life and popular culture to draw students into thinking sociologically and to show the relevance of sociology to our relationships, our jobs, and our future goals.

The Real World: An Introduction to Sociology by Kerry O

Students love The Real World because it was written for them. In every chapter, Ferris and Stein use examples from everyday life and pop culture to get students thinking sociologically and to show the relevance of sociology to their relationships, jobs, and the future of society.

The Real World: An Introduction to Sociology 6th 6E

Introduction. When we think about communication, we most often focus on how we exchange information using words. While verbal communication is important, humans relied on nonverbal communication for thousands of years before we developed the capability to communicate with words. Nonverbal communication is a process of generating meaning using behavior other than words.
