The Standard for Program Management – Fourth Edition | PMI The PMI provides services including the development of standards, research, education, publication, networking-opportunities in local chapters, hosting conferences and training seminars, and providing accreditation in project management. Amazon.com: The Standard for Program Management ... It is a science, but the book should be comprehensible to someone other than a professor that teaches it. To learn program management, I recommend the text from the course I took at Brandeis, Program Management for Improved Business Results by Dragan Z. Milosevec, Russ J. Martinelli, and James M. Waddell, ISBN: 978-0-471-78354-1. Amazon.com: The Standard for Program Management ... Really though, the Standard does a pretty good job of adopting the same sort of current model and approach from the PMBOK version 4 to the Program space. It even does a better job in my opinion of explaining the relationship between Portfolios, Programs and Projects, and the scope of the organizations tasked with

driving these beasts. Amazon.com: The Standard for Program Management ... The Standard for Program Management by Project Management Institute describes process groups and knowledge areas for Program Management. The book is a good material for the first version of the standard. I used this book as my top study material to present and pass the PgMP test. The book provides you the foundation to pass the test.
