day Value-Based Facilities

Management (VBFM) workshop is a

focused learning on how to deliver facilities management services and performance that matter to organisations. The VBFM workshop will guide learners to deliver services to support and align with their organisations' mission and strategic objectives by delivering value through well thought strategic planning and effective operations. The Workshop - Value-Based Facilities Management - Steven Ee Facilities Management Core Values. Values should not be selling messages, Business strategies or competencies, although a good value system would again be the foundation for all of these. We often talk about the ability of FM to add value but what are the values of the profession? 6 Benefits of Having Core Values for

The discipline of facilities management is often depicted as a support service or technical function and remains a largely unrecognised profession. Blamed for incurring high maintenance costs or constraining an organisations performance with a lack of facilities services, the facilities management is beset with a poor self-image. Yet, effective and efficient facilities management can ... Value-Based Facilities Management | FM Online Courses The purpose of this paper is to present lessons learnt from a 3 year collaborative research project on the added value of Facilities Management (FM) involving institutions in five European countries.
