What Comes Naturally Music video by Sheena Easton performing What Comes Naturally. (C) 1991 UMG Recordings, Inc. Sheena Easton - What Comes Naturally - YouTube What Comes Naturally explores the complexities and contradictions of a largely lost world--an almost inaccessible world for most people living in the America of the early 21st century--in which the power to use marriage laws to promote and to reinforce racial subordination was legitimate throughout much of the United States, even as couples across the country continued to insist on their right to marital freedom."--Hendrik Hartog, author of Man and
